

Welcome to the Pegasus Hostel Berlin

The green oasis for your group trip: Pegasus Hostel Berlin

Blue and yellow - they aren't only the colours of the facades at the Pegasus Hostel Berlin. The cheeky and jokey yellow Pegasus horse can also be seen flying across a backdrop of blue sky. This picture symbolises the warm and friendly atmosphere of the hostel and promises our guests an uncomplicated stay.

Our hostel is made up of a carefully renovated main building and a new side building which was added in 2008. The two buildings surround an idyllic green leafy courtyard where our guests can have a chat, get some sun, read, relax and have a barbecue with friends. With access to a snack bar, our restaurant and our conference/seminar rooms, our guests are fully catered for.

The Pegasus Hostel is centrally located in the heart of the trendy area of Friedrichshain and is therefore an ideal starting point for sightseeing tours and getting around the city (only 3 U-bahn train stations away from Alexanderplatz, 35 Mins to Schönefeld Airport, 15 Mins to Hauptbahnhof/Central Station). Trendy areas like Friedrichshain, Kreuzberg or Prenzlauer Berg are all basically within walking distance.

The 24 hour reception makes it easy for your group to plan a carefree arrival and departure. Our international conscientious team will gladly give you insider tips for the city or the party scene. So, when will we get to see your group as our guests?

Accommodation at Pegasus Hostell

All our rooms are sunny and well lit. They are all painted in warm and friendly colours and every room name tells a story from either Greek mythology or from cinematic history, of course, with an emphasis on Berlin. The rooms can be divided into two price categories- rooms with private ensuite (private shower and toilet), and rooms with shared bathroom facilities on each floor. Your choice of a single room or anything up to a bed in a 10 bed dorm defines the price.

On arrival, your group will find the beds made and everything ready for your stay. Shared shower and toilet facilities are cleaned twice a day and your rooms will be cleaned daily by our staff. Of course, mixed, all female or all male dorms can also be arranged. Just let us know what you need.

Eating at Pegasus Hostel

Why make things difficult when they can be so easy? You're tired from your journey or exhausted from a long day sightseeing in the German capital and you just don't feel like thinking about "where should we eat?". That's where we come in.

You can start the morning with a defty breakfast buffet where you will find delicious scrambled eggs, breakfast buns fresh from the oven, freshly ground coffee and so much more, nothing is missing. For your day out and about you can order a lunch packet and in the evening you'll have the choice between a classic dinner (2 or 3 course meal), a pizza - pasta buffet (also available as only pizza or pasta), hamburger buffet or barbeque buffet (always good for a group's big last night). Everything is prepared fresh by our chefs and we also have something for smaller budgets. Just take a look at our restaurant's web page:
